### QUOTATION FOR WIRELESS ACCESS CONTROL SYSTEM

Steve Tshwete Local Municipality requires formal written quotations from registered service providers to supply two telephone access systems with accessories. Here are the specifications:

- **Intended use of the Telephone access system:**
  - Vergeet-my-nie is a group of 90 flats for the elderly. There are two access gates to the premises that need to be controlled by a WIRELESS ACCESS CONTROL SYSTEM.
  - The control will be to open the gate when a flat is called to enable the caller to get access to the premises.
- **Detailed requirements (you may also quote on equivalent items where Makes and Models are mentioned)**
  - The following items and quantities are required:
    - 2 X Supply complete Mircom TX3 -8U Telephone access systems (including power supplies and a battery backup unit) with the needed modules to:
      - Be able to call 100 users or more from the electronic directory
      - Be able to open the security gate (Centurion D5 EVO) from the called party's telephone / cellphone
      - Be able to switch (toggle) a relay to power security lights
    - Accessories for each of the telephone access systems:
      - A standard gooseneck pole, ready to be planted
      - A gooseneck mounting adaptor for the system with all the needed nuts and bolts
      - 20m Electricity cable to connect the system to the 220V outlet
      - Lightning protection on the incoming 220V
      - **SIM cards will BE SUPPLIED BY THE MUNICIPALITY.**

- Configuration software for the Telephone Access System with cables to connect to a notebook's serial or usb or network sockets. The OS of the notebook is Windows 7.
  - Installation and configuration guide in English
  - Optional items
    - Modem module (with a power supply if needed) to communicate with the Telephone Access Systems from one location to upload new users and do configurations
  
- **Delivery instructions:**
  - The ordered equipment must be delivered to the Civic Centre in Middelburg. The address is:
    - Civic Centre
    - IT Section
    - Office B319
    - Wanderers Street
    - Middelburg
    - Mpumalanga
  
- **When:**
  - All the ordered equipment must be delivered at the Civic Centre within 14 days after the order was issued by the Steve Tshwete Municipal Stores.
  
- **Responsibilities:**
  - The successful supplier will be responsible for:
    - The transport of all the ordered equipment to the Civic Centre
  
- **Method of acquisition:**
  - The supply of the Telephone Access Systems with their accessories will be purchased from the supplier and it will become the asset of the Steve Tshwete Local Municipality.
  - Full payment for the equipment will be done 30 days after the invoice was handed to the Municipal Stores.
  
- **Pricing schedule:**
  - Please write your quotation on a company letterhead in the following format:

Item	Item Order Code	Quantity	Total Excl VAT	Vat	Total Incl VAT
Complete Telephone Access System		2			
Accessories like the gooseneck, etc		2			
Configuration software with cables					
Optional: Modem module		2			
<b>Total</b>					

**GENERAL NOTES:**

1. Written quotations should be submitted to the office of the Corporate Services, room C318, Second Floor, Civic Centre, Wanderers Avenue, Middelburg not later than 12:00 on the **14<sup>th</sup> of December 2011**.
2. The following requirement(s) apply to all prospective service providers:
  - Service providers not registered with council must log on to **[www.stevetshwetelm.gov.za](http://www.stevetshwetelm.gov.za)** or visit Mr Martha Mtsweni (Tel: 013-249 7309) at the Municipal Stores at Corner Protea and Walter Sisulu Street, Middelburg, Mpumalanga to get the application forms and submit a completed enlistment application before submitting the quotation.
  - Quotes should be accompanied by:
    1. **A valid tax clearance certificate**
    2. **B-BBEE Certificate**

For any queries, please contact **Marius Britz**, telephone **013 249 7376 / 082 895 8743**.
