HDI Ownership Status: Please read notes below very carefully

Instructions and Definitions

(please read carefully before completing HDI Ownership Status)

Legislation

- Procedures are set out in the **Accounting Officers Procurement Procedures (AOPP)**, as referred to in the **Public Finance Management Act, 1999 (Act 1 of 1999)(PFMA)**, to give all prospective suppliers an equal opportunity to submit quotations to a State Department.

Terminology

- **Commodities**

The commodities the company wishes to be registered for as a supplier to the Department.

- **Trade Names**

The trade names that the company own or distribute, which you wish to be registered for as a supplier to the Department.

- **Owned**

Having all the customary elements of ownership, including the right of decision-making and sharing all the risks and profits commensurate with the degree of ownership interests as demonstrated by an examination rather than the form of ownership arrangements.

- **Previously Disadvantaged Individuals (PDI)**

For the purpose of registering as a supplier for the Department, the refutable presumption shall be made that SA citizens who fall into population groups that had no franchise in national elections prior to the introduction of the 1983 and 1993 constitution are Previously Disadvantaged Individuals. It is incumbent on individuals to demonstrate their claims to fall into such population groups on the basis of identification and association with and recognition by the members of such a group.

- **Women**

A female person who is a SA citizen.

- **Establishment of PDI / Women Equity Ownership in a enterprise**

Equity ownership shall be equated to the percentage of an enterprise which is owned by individuals, or in the case of a company, the percentage shares that are owned by individuals who are actively involved in the management and daily business operations of the enterprise and exercise control over the enterprise, commensurate with their degree of ownership.

| |
|---|
| <p>Where individuals are not actively involved in the management and daily business operations and do not exercise control over the enterprise commensurate with their degree of ownership, equity ownership may not be claimed.</p> |
|---|
